Product Review Coordinator

Executive Director

Product review is conducted according to the policies in the current *OMRI Policy Manual* and based on the standards in the current *OMRI Standards Manual*. To verify the current status of this or any OMRI Listed product, view the most current version of the *OMRI Products List* at www.omri.org. OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be construed as such. Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a USDA accredited certification agent. It is the operator's responsibility to properly use the product, including following any restrictions.

ASCO Materials Verification

Eco-Nutrients, Inc.

P.O. Box 1068
Crescent City, CA 95531
(707) 465-4038

A document review of **ECO-HYDRO FISH LIQUID FERTILIZER, 2-4-0.2** listed in this Verification Certificate was reviewed on October 27, 2009, and found to be compliant on that date with 7 CFR, Part 205 of the National Organic Program ("NOP") requirements for materials used in organic certified operations as a fertilizer and soil amendment, based solely on review of information about the formulation and manufacturing of the Product[s] provided by the manufacturer.*

Product: ECO-HYDRO FISH LIQUID FERTILIZER, 2-4-0.2

This verification certificate does not authorize the Product[s] to be labeled as "Certified Organic" or to use the "USDA Seal". Producers and handlers of organic food products must contact their certifier for approval of any materials before use in an organic system plan in compliance with NOP 205.201.

The above listed Product[s] has undergone the following materials verification process:

- Document review of Confidential Statement of Formula, Manufacturing Description and Process Flow Charts.
Date: October 27, 2009
- On site inspection of manufacturing facility, records audit, mass product balancing and production capacity verification.
Date: _____
- Raw Ingredient and final product sampling and analysis.
Date: _____

Gerry Willey
Director of Materials Review Program

Certificate Number: 126
Issue Date: October 27, 2009
Expiration Date: October 27, 2010
Product Restrictions: None

* This ASCO Verification Certificate shall expire at such time as the manufacturer makes any changes in the Product[s] composition and/or manufacturing process, which was not disclosed to or reviewed by ASCO prior to the manufacturer instituting any such changes.
